

**Providing our clients with the best candidates  
is our mission and our passion.**

**Bray Executive Search** is the leading executive search service for wealth management firms focusing on family clients of significant wealth. Bray Executive Search recruits nationally with offices in Seattle and Philadelphia, and works exclusively in UHNW family wealth advisory.

Our history of recruiting the best talent in the UHNW industry is unsurpassed. We have partnered with some of the most distinguished family wealth management firms to find candidates who understand the complex challenges for clients of significant wealth, which is essential to growing your business and continuing your success.

Providing our clients with the best candidates is our mission and our passion. We readily accept the challenge and opportunity to partner with you in your quest to successfully bring aboard the best talent in the market.

**We have a robust and extensive track record in sourcing and placing top UHNW industry talent including:**

- » Wealth Advisors
- » C-Level executive leadership
- » Financial and Tax Management
- » Investment Advisory/Management
- » Planning Professionals including Estate Planning Tax/Trust Attorneys

**We also place professionals in consultative multi-generational advisory roles including:**

- » Customized Family Education
- » Governance
- » Philanthropy
- » Legacy Planning
- » Family History
